Corporate Profile

The **SOLO** Group

who we are

We work closely with our customers, to help grow their business, by organising ourselves to suit their requirements.

Cars
SUV's

Tractors
Off Roaders

SOLO Group is a fully integrated CNC Machine shop and a "ONE STOP SHOP" for Precision Machined Castings of Ferrous and Non-ferrous alloys. We primarily manufacture as per customer design and specifications.

We are a TIER II supplier to the Auto Industry and are TS 16949 certified. We provide Reliable, Cost effective and World class Quality products to our esteemed customers, due to which we have long standing partnerships.

product profile

CNC Machined Castings

Precision Machined Pressure and Gravity Cast Alumium Parts.

Differential Housings

SG Iron Castings, CNC Machined, used in all 4-Wheelers Passenger Cars | SUV's | Off Highway vehicles

Gears Blanks

Steel Forgings Machined on CNC Machines

infrastructure & facilities

We are result-driven and our efforts are on cost effectiveness and customer satisfaction through focus on quality and reliability.

CNC Machine Shop

35 CNC Turning Machines CNC lathes
15 Vertical Machining Centers with 4th axis.
2 CNC Angular Grinders

Leakage Testing Machine,
Electrochemical Deburring Machine

Gravity Casting Shop

Gravity die casting machine with double die loading, Melting Furnace, Holding Furnace, Transferring Ladle, Band Saw, Tool Room.

Pressure Die Casting Shop

80 Tons Pressure Die-casting machine,
In-house design tool manufacturing.

Manufacturing & Process Control is managed using:

TPM, KAIZEN, 5S, POKE-YOKE.... PFMEA, SPC, MSA, APQP, PPAP....
